## HIGH SCHOOL FIELD DAY EXERCISES

Occurred Friday Afternoon at the State Fair Grounds and Attracted a Large Crowd.

### THE MANY EXCITING CONTESTS

Greatly Enjoyed by the Spectators. Some Excellent Performances by the Athletes.

The third annual field day of the Wheeling high school at the state fair grounds yesterday afternoon was productive of some good sport, and it was attended by a large crowd in which the fair sex was supreme at the ratio of three to one, making the grand stand a pretty expanse of millinery and varicolored shirt waists. There were seven events on the programme and they were pulled off with precision, in delightful contrast to last year's field day. The contestants were not more than a dozen in number, and as some of them were in nearly every event, they were pretty tired at the close.

The greatest interest was evinced in the bicycle racing, a feature that is always popular. Pickett was the bright particular star in these events, but he failed to get first in the three-mile handicap after a plucky fight for the place, but it was said that he met with a puncture. Hoge cleaned up the pedestrian events, and in the jumps, Hesse and Conrad had it all to themselves.

The greatest number of points were secured by H. Conrad, who got 35; George Hoge had 23; Albert Hesse 24, and Will Pickett 18.

The officers of the day were as follows: Starter—E. J. State, Referee, Charles G. Dobbins, Timer, Albert Lash. Judges, Harry Biehlerson and James C. Lewis. Clerk of course, Herman Friedrichs; assistants, Howard Dudley and Homer Crago. Scorers, W. D. Turner and James C. Lewis. Measurers, Harry Cowl, Walter Clark. Announcer, J. H. Brennan.

The result of the contests were as follows:

One Hundred Yard Dash—Hoge won easily, time, 12 seconds; Conrad, second; E. Westwood, third. Other entrants were Fred Harvey, T. Henderson, G. Marsh and A. Watson.

Standing Broad Jump—Won by Conrad, distance, 8 feet 2 inches. Hesse was second, and Hoge was the other entrant.

One-quarter Mile Bicycle Race, Junior—This was taken by C. A. Bowers, time, 37 1-5 seconds; Truax, second; J. B. Freese, third. Welch and H. Mitchell also ran.

Two Hundred and Twenty-yard dash—Hoge, first; Conrad, second; Westwood, third. Time, 28 2-5 seconds. Others competing were Henderson, Harvey and Marsh.

One-half mile Bicycle Race—This was a snap for Pickett; time, 1:25 1-5. Armbruster was second; Bowers, third. Freese and Truax were in the rear.

The shot—C. McGregor won.

with 26 feet 2 inches; Hesse second; Hoge, third.

Hop, step and jump—Hesse, Conrad and Hoge entered. Conrad won; Hesse second; distance, 25 feet 4 inches.

One Mile Bicycle Race—Pickett, Bowers, Armbruster, Truax and Freese entered, and they finished in the order named. Time, 3:12. The boys leaped it most of the way.

Fifty-yard dash, juniors—A. Clyker was first; W. Spooner, second; time, seven seconds. There also ran, Emshelmer, Ets, Freese, Jackson and Mitchell.

Running High Jump—Hesse and Conrad were the only entries. Hesse won; height, 5 feet.

Base Ball Throw—Conrad threw 32 feet 10 inches on the first throw, which the others couldn't touch. McGregor was second; Hesse third. Harvey, Hoge and Henderson also threw.

Pole Vault—Hesse and Conrad were the only entries, the former winning; height, 6 feet 6 inches.

Four Hundred and Forty-yard dash—Hoge as before in this class of events, had an easy thing. His time was 1:04. Conrad was second; Henderson third. Harvey, Marsh and Westwood also competed.

One-quarter Mile Bicycle Race—Pickett got this in a pretty burst of speed on the home stretch; time, 35 seconds. Bowers, second; Armbruster, third. Freese and Truax also rode.

Running Broad Jump—Conrad surprised the talent by beating Hesse; distance, 16 feet 2 inches.

Eight Hundred and Eighty-yard dash—Hoge's lithe limbs carried him under the wire an easy first; time, 2:30 2-5. Westwood was second, and Harvey third. Marsh was fourth, and Henderson "tuckered out" before the distance was completed.

Three-mile handicap bicycle race—This was the final and prettiest race of the day. Pickett was scratched, but caught the bunch on the fifth turn. He couldn't get past Truax, who won by a wheel, with Bowers a close third. The time was 9:02. Pickett was the only scratch man; Armbruster had 100 yards; Bowers, 125; Truax, 150; Freese, 375; Welch and Mitchell had each 440. Freese got lost in the shuffle after two miles were gone, but the rest were close together at the finish.

### POLITICAL.

McFadden, of Steubenville.

Henry H. McFadden, of the Steubenville Gazette, the Democratic nominee for secretary of state, in Ohio, is well known throughout eastern Ohio. He ran for Congress against Captain Danford in 1896, he being one of the most earnest advocates of the free and unlimited coinage of silver at 16 to 1 to be found in the district. Mac is a conscientious fellow. He would rather be beaten than compromise in a fight, and is a fearless editor. One of the worst things that can be said of him as an editor is that he goes off "half cooked" at times. As a candidate he represents everything that the Chicago platform does. Personally he is companionable, intelligent and honest. He has been something of a free lance in his own party and denounced certain members of it in such terms as will make that element lukewarm, not to say more, toward him. But where he is best known personally he has warm friends without regard to politics. It was a compliment alike to him and the party he "plays ball" with that he was put on the ticket.

In '96 McKinley carried the Sixteenth district by 3,163; McFadden was defeated by about the same vote. As the party nominating him represents this year all that it did in '96 and since the conditions have so changed that employment and contentment have taken the place of idleness and discontent, he can not hope for a greater vote than he received before. There can be no danger of a greater Republican victory this year than in '96 so far as the Ohio valley is concerned, save only the possibility of the people having full and plenty and because of this becoming indifferent as to election results. But the people will take no chances on any change of policy this year. They are well pleased with the trend of affairs.

### CLOSING PERFORMANCES

Of Vaudeville Company at Wheeling Park Casino.

The closing performances of the vaudeville company at the Wheeling Park Casino will be given this afternoon and to-night. The entertainment is bright and clever, and no lover of high class, up-to-date vaudeville should fail to see it. Following is the programme: Falardo, the instrumentalist; operatic comedy, Saxon and Brooks; dancing, John and Bertha Gleason; Patrice, in a dainty playlet, "A New Year's Dream"; Miss Burnham, in songs; De Biere, the Prestidigitator.

This is a varied and excellent programme, and though secured at big expense is presented at popular prices. The Casino should be well filled at both performances.

### FOOD CURE.

Results in Change of Diet Are Wonderful.

"Good food, properly selected, will, in my opinion, cure almost any ordinary disease. I want to tell you of my experience, and of my recovery by the selection of the proper diet. I am a business woman, very closely confined indoors, with considerable care and anxiety. Some time ago I had a severe case of the grippe, and after recovering from it, had a serious time following, as many people do.

I was unable to get well until I changed my diet, leaving off Mocha and Java coffee, and using the Postum Food Coffee in its place, and taking up Grape-Nuts breakfast food. This winter I have given both a fair and continued trial, and the results are superb. I am restored to perfect health and strength, and as you claim, I have a "reserve force" bodily and mentally, that carries me through many hard places.

"I cannot praise the food too much, for it will, if used steadily, cure all disturbances of the system caused by the congestions lagrippe is answerable for. A dish that contains the most powerful rebuilding elements can be made as follows: Hot milk, brought to a boil, break in two fresh eggs, and as soon as the eggs set, pour the boiling milk and eggs over some Grape-Nuts in a soup dish. No breakfast of meat can be so good.

"I use Grape-Nuts in this way every morning, and have no sense of lack of food all day. I have kept well and remarkably free from colds all winter, which I attribute to a fine condition of health, brought about by the use of the famous food of Postum Food Coffee. (Grape-Nuts are perfectly cooked at factory, and are usually served cold with a little cream or milk). Mrs. C. S. Woodward, 24 Grenada street, St. Augustine, Fla.
